FUNDRAISER FOR THE BUILDING FUND August 1-October 31

The top-priority project involves, gutters for the church building and a roof on the sanctuary, which will cost several thousand dollars.

So, let's start a 'PENNY WAR'! Here is how it works. 1) each team is selected by the color bulletin you have today. (Couples can choose which color they've received; they want to be on.) 2) Each team has a jar with corresponding color for collecting money. Checks made out to the church with "Building Funds" on the memo line, will be counted towards your team's money total but no points added or subtracted. Points are as follows:

- | | |
|---------------------------|----------------------------|
| Penny= +1-point | Nickels= -5 points |
| \$1 bill= +100 points | Dimes= -10 points |
| \$5 bill= +500 points | Quarters= -25 points |
| \$10 bill= +1000 points | ½ dollar coins= -50 points |
| \$20 bill= +2000 points | Dollar coins= -100 points |
| \$50 bill= +5000 points | |
| \$100 bill= +10000 points | |

The idea is to put pennies and paper money in your own team's jar and put silver coins in another team's jar to reduce their points. Enjoy! And thank you for helping our trustees maintain our building and grounds.
